To Ms. Henney,

As a humane consumer, I demand that you act on Humane Farming Association's petition to end the horrible practice of feeding dead pigs, horses and other animals to other farm animals. Cows are not meat eaters by nature and they should not be forced to eat dead animals.

This practice is both sadistic and unhealthy. Start cleaning up the meat industry, Ms. Henney. It has earned a very bad reputation because of such practices.

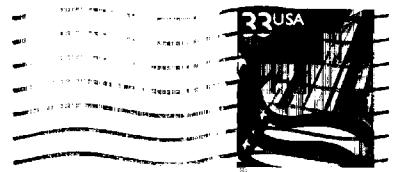

Sincerely,
Jennifer Johnson
